

20th September 2017

Dear Parents/Carers

Re: Open Evening – Tuesday 3rd October 2017

We are proud to invite you and your Y5 or Y6 child to attend an Open Evening at Don Valley Academy on Tuesday 3rd October 2017. As prospective and future parents/carers of our Academy, this will be a fantastic opportunity for you to see the Academy at work.

There will be a variety of activities from all departments, including informative displays, practical activities and performances. You will be able to talk to teachers and students, see examples of students' work and watch students being taught.

Don Valley Academy is incredibly proud of our students and of our impressive new buildings, which allows our students the opportunity to succeed and reach their aspirations.

We are delighted to invite you and your child to our taster experience. The Open Evening will take place between 4.30 p.m. and 7.00 p.m. Please feel free to arrive at any point within those times.

I look forward to seeing you there.

Yours sincerely

R Burton
Vice Principal
