

27th September 2024

Dear Parents/Carers

It is with great pleasure that I write to you as we have now received the report from our Ofsted Inspection, which as you are aware, was conducted on the 2nd and 3rd July 2024.

There has been no change to the Academy's overall judgement of 'Good' as a result of this ungraded (Section 8) inspection. However, the evidence gathered suggests that the inspection grade might be 'Outstanding' if a graded (Section 5) inspection were carried out. The next inspection to be carried out will be a Section 5 inspection.

This outcome is testament to the hard work and commitment of the staff in the Academy and also to the students, parents/carers and wider community that the Academy serves. We will continue to strive forward to give students in our Academy the opportunities to achieve their best possible outcomes and life chances.

Yours sincerely

Mr R Burton
Associate Executive Principal
